

## The Angelus

V. The Angel of the Lord declared unto Mary,  
R. And she conceived of the Holy Spirit. Hail Mary, ...

V. Behold the handmaid of the Lord.  
R. Be it done unto me according to Your Word. Hail Mary, ...

V. And the Word was made flesh,  
R. And dwelt among us. Hail Mary, ...

V. Pray for us, O holy Mother of God.  
R. That we may be made worthy of the promises of Christ.

Let us pray:  
Pour forth, we beseech You, O Lord,  
Your Grace into our hearts;  
that as we have known the incarnation of Christ,  
your Son by the message of an angel,  
so by His passion and cross  
we may be brought to the glory of His Resurrection.  
Through the same Christ, our Lord. Amen.

**Almighty God,**

*Creator of the hearth in which we live,  
Help us today in our search for peaceful ways  
To avoid wars, to eliminate terrorism and tyranny  
And to establish justice for peoples of all races and faiths.  
We pray that the billions of peace-loving  
People of goodwill throughout the nations,  
Will join together in prayer and action  
To bring love where there is hatred,  
Friendship where there is enmity,  
And justice where there is oppression.*

**Amen.**

Just one world

A newly elected government brings new opportunities to refresh the UK's entire approach to climate change. We now have a chance to embed climate commitments across the government departments and renew the UK's role as a global leader in international efforts to tackle climate change. Maintaining this role, brings many benefits it makes our power supply more secure and improves people's lives abroad. It gives us healthier homes and creates jobs across the country. Richer countries like the UK must help poorer countries to tackle climate change, which hits them hardest, and to develop their energy services in a way that does not lock them into using outdated, polluting fossil fuel. Please write to your MPs to ask them to reaffirm the UK's role as a global climate leader.
