

The Angelus

V. The Angel of the Lord declared unto Mary,
R. And she conceived of the Holy Spirit. Hail Mary, ...

V. Behold the handmaid of the Lord.
R. Be it done unto me according to Your Word. Hail Mary, ...

V. And the Word was made flesh,
R. And dwelt among us. Hail Mary, ...

V. Pray for us, O holy Mother of God.
R. That we may be made worthy of the promises of Christ.

Let us pray:
Pour forth, we beseech You, O Lord,
Your Grace into our hearts;
that as we have known the incarnation of Christ,
your Son by the message of an angel,
so by His passion and cross
we may be brought to the glory of His Resurrection.
Through the same Christ, our Lord. Amen.

A Prayer for our Parish Community

Almighty God,

***we pray for your blessing on all who
share in the life and work of our Church and Parish:***

***In the ministry of word and sacrament,
in teaching and pastoral care,
in service to the Diocese and Deanery.***

***The community and those in need,
in ecumenical fellowship and co-operation.***

***We pray for all members of the congregation,
that in their life and work they may advance
your kingdom and bear witness to your love,
shown in your Son Jesus Christ our Lord.***

Amen

A newly elected government brings new opportunities to refresh the UK's entire approach to climate change. We now have a chance to embed climate commitments across the government departments and renew the UK's role as a global leader in international efforts to tackle climate change. Maintaining this role, brings many benefits it makes our power supply more secure and improves people's lives abroad. It gives us healthier homes and creates jobs across the country. Richer countries like the UK must help poorer countries to tackle climate change, which hits them hardest, and to develop their energy services in a way that does not lock them into using outdated, polluting fossil fuel. Please write to your MPs to ask them to reaffirm the UK's role as a global climate leader.
